

NEWS FROM THE KEESEVILLE FREE LIBRARY JULY 2024 VOL 2, ISSUE 7

"THE ONLY THING YOU ABSOLUTELY HAVE TO KNOW IS THE LOCATION OF THE LIBRARY." -Albert Einstein

A NOTE FROM OUR DIRECTOR

As part of our Summer Reading Program, we have put together a Nature Backpack and a Birding Backpack that can be taken out to explore the natural world around you. These backpacks were funded by Stewart's Shops Holiday Match Funds. We look forward to seeing you at the library!

Music at the Library

During the months of July and August when there is so much live music happening in the community, the library will take a pause. We will be back again with our Music in the Library Series in September. Summer music can be enjoyed at the Keeseville Riverside Park, The Highlands Vineyard, AuSable Brewing Company, and AuSable Chasm.

Artist of the Month

July is watercolor month here at the library and we are delighted to feature the work of three local watercolor artists, Judy Shanley, Lorna Hohn, and Chris Allen.

More Than Books

Did you know you can borrow things other than **books** from the library? We have books on CD and you can even borrow a portable CD player; we have DVDs and a portable DVD player. The library also has passes available for day use: New York State Park Empire Pass, Wild Center Discovery Pass, ECHO, High Falls Gorge, & Fort Ticonderoga.

"Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve and contribute to improving our quality of life." Sidney Sheldon
